Current Advances in Cardiovascular Care 2017
A CME/CNE-Certified Course
Saturday, March 11, 2017
Sheraton Valley Forge Hotel
480 North Gulph Road
King of Prussia, PA 19406

Registration Fees
The registration fees for the Current Advances in Cardiovascular Care 2017 are the following: $125 for Physicians or Industry Representatives, $89 for Physician Assistants, Nurse Practitioners, and Certified Registered Nurse Anesthetists. $69 for Nurses and Healthcare Professionals. The registration fee is $59 for Chester County Hospital and Penn Medicine employees, faculty and staff with a valid Chester County Hospital or Penn Medicine ID.

The registration fee includes attendance to the symposium, a course booklet, a link to view the presentations online, continental breakfast, mid-morning and afternoon breaks as well as lunch.

Cancellation and Refund Policy
In order to process refunds for course withdrawals, cancellations must be received in writing by February 25, 2017 and are subject to a $15.00 service charge. No refunds will be issued thereafter.

Meeting Location
Current Advances in Cardiovascular Care 2017 will be held Saturday, March 11, 2017 at the Sheraton Valley Forge Hotel, 480 North Gulph Road, King of Prussia, PA 19406.

COURSE DIRECTORS
Timothy Boyd, MD
Chief of Cardiology Section
Medical Director of Invasive Cardiology
Chester County Hospital
West Chester, PA

Mian A. Jan, MD
Chairman, Department of Medicine
Chester County Hospital
West Chester, PA

W. Clay Warnick, MD
Director, Cardiovascular Program
Co-Director, Heart Failure
Chester County Hospital
West Chester, PA

Steven J. Wise, MD, MBA
Chief of Cardiac Surgery
Chester County Hospital
West Chester, PA

COURSE FACULTY
Benjamin S. Abella, MD, MPhil
Associate Professor of Emergency Medicine
Adjoint Physician, Department of Emergency Medicine
Director, Center for Resuscitation Science
University of Pennsylvania
Perelman School of Medicine at the University of Pennsylvania
Philadelphia, PA

Patrick Adams
President & Chief Operating Officer

Current Advances in Cardiovascular Care 2017

A CME/CNE-Certified Course

Saturday, March 11, 2017

REGISTRATION 7:00 AM – 7:30 AM
SCIENTIFIC PROGRAM 7:30 AM – 3:25 PM
Sheraton Valley Forge Hotel
480 North Gulph Road
King of Prussia, PA 19406

For more information, please visit www.penncmeonline.com.
Designation of Credit
Physicians: The Perelman School of Medicine at the University of Pennsylvania designates this live activity for a maximum of 6 AMA PRA Category 1 Credits™. Physicians should claim only the credit congruent with the extent of their participation in the activity.

Nurses: The program will award 6.75 contact hours.

Physician Assistants: AAPA accepts certificates of participation for educational activities certified by AHA PRA Category 1 Credit™ for up to a maximum of 6 hours per activity. Physician Assistants who complete this activity in full will be awarded 6.75 CME credit hours.

Nurse Practitioners and Physician Assistants: This activity is approved for 6.75 contact hours by the PA Nurses Licensure Board.

Disclosures
The Perelman School of Medicine at the University of Pennsylvania, Office of Continuing Medical Education, adheres to the ACCME Standards for Commercial Support. Faculty disclosure information will be made available in the conference materials and syllactics. Faculty members are also expected to disclose to all participants any discussions of off-label and/or investigational uses of pharmaceutical products within their presentations.

Hosting Department and Organization
Current Advances in Cardiovascular Care 2017 is hosted by the Department of Cardiovascular Services at Chester County Hospital.

Accreditation
Physicians: The Perelman School of Medicine at the University of Pennsylvania is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Nurses: Penn Medicine Nursing is an approved provider of continuing nursing education by the Pennsylvania State Nurses Association, an approved accreditor by the American Nurses Credentialing Center’s Commission on Accreditation. Approval #124-1411

Services for the Disabled: Special arrangements are available for a restaurant with a disability by contacting the Perelman School of Medicine CME program office at 215-898-8805. Please provide specific needs in advance of the activity.

Accreditation Statement: The University of Pennsylvania disclaims responsibility for, and does not guarantee the accuracy of, any changes in medical practice made since the publication of this material. This statement applies equally to all other educational programs, articles, information, and other written material, whether or not specifically mentioned above. Individuals are advised to confirm the accuracy of any information which might affect their clinical performance with their personal healthcare providers. Updated patient selection criteria. Quarterly update of patient selection criteria.
Designation of Credit
Physicians: The Perelman School of Medicine at the University of Pennsylvania designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.
Nurses: The program will award 6.75 contact hours.
Physician Assistants: AAPA accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by the ACCME or a recognized state medical society. PAs may receive a maximum of 6.75 Category 1 credits for completing this activity.

Certification and Transcript: A few days prior to the symposium, pre-registered participants will receive an email containing directions and additional symposium information. After the symposium, all participants will receive a follow-up email containing a link to a conference evaluation page with instructions to claim your credit. Once participants submit the request for credit, the card can be viewed on a transcript or can be printed by logging onto www.penncmeonline.com.

Disclosures
The Perelman School of Medicine at the University of Pennsylvania, Office of Continuing Medical Education, adheres to the ACCME Standards for Commercial Support. Faculty disclosure information will be made available in the conference materials and syllabi. Faculty members are also expected to disclose to participants any discussions of off-label and/or investigational uses of pharmaceutical products within their presentations.

Hosting Department and Organization
Current Advances in Cardiovascular Care 2017 is hosted by the Department of Cardiovascular Services at Chester County Hospital.

Accreditation
Physicians: The Perelman School of Medicine at the University of Pennsylvania is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Nurses: Penn Medicine Nursing is an approved provider of continuing nursing education by the Pennsylvania State Nurses Association, an approved provider by the American Nurses Credentialing Center’s Commission on Accreditation. Approval # 124-13-15

The purpose of this educational activity is to provide education on recent advances in the field of cardiovascular care and how it impacts the management of patients. The emphasis will be on evidence-based, best practice standards of care. It will focus on practical and clinical issues faced on a daily basis by the health care professional.

This activity has been designed for primary care physicians, interventional cardiologists, clinical cardiologists, cardiac surgeons, vascular surgeons, hospitalists, emergency medicine specialists, interventional radiologists, nurses, physician assistants, technologists and other members of the health care team who want to enhance their knowledge of current advances in the management of patients with heart and vascular disease.

Course Objectives:
Upon completion of this activity, participants should be able to:
List 2 current advances in the management of heart failure and hyperkoagulopathy therapy
Describe ESC guidelines for risk of sudden cardiac arrest
Compare risks and benefits of novel oral anticoagulant therapy versus warfarin for stroke prevention in patients with AF
Describe contraindications for minimally invasive cardiac surgery
List 3 conditions or behaviors that increase risk for endocarditis
Describe recent changes in patient eligibility for TAVR
Recognize the importance of early detection in pulmonary hypertension

A G E N D A
Saturday, March 11, 2017 Shannopin Valley Farm Hotel 480 North Gulph Road King of Prussia, PA 19406
9:00 am – 9:20 am
Endocarditis – Surgical Treatments
Robert Wenger, MD
9:20 am – 9:40 am
Endocarditis – Non-surgical Treatments
Paula Eryazici, MD
9:40 am – 9:50 am
Anticoagulants – In Atrial Fibrillation
Benefits and risks of new oral anticoagulants
Amar A. Jan, MD
9:50 am – 10:00 am
Break & Visit Exhibits

10:00 am – 10:20 am
Minimally Invasive Heart Surgery – Is it Right for You?
Patient selection for minimally invasive heart surgery
Comparison of total revascularization vs. hybrid revascularization
Robert Webster II, MD, PhD
10:20 am – 10:40 am
Endocarditis – Non-surgical Treatments
Signs & symptoms of endocarditis
Review of current treatment guidelines
Naimul A. Talib, MD, MSCR
10:40 am – 11:00 am
Endocarditis – Surgical Treatments
Surgeries for the Disabled
Robert Webster II, MD, PhD
11:00 am – 11:20 am
2017 Update on TAVR
Unusual patient selection criteria
Recent data from patient follow up
Joseph J. Sabik, MD, FACC
11:20 am – 11:40 am
Q & A
11:40 am – 12:10 pm
Pick up Lunch

12:10 pm – 12:35 pm
Bundling / Maza / Maza Pathophysiology
12:35 pm – 1:00 pm
Q & A
1:00 pm – 1:30 pm
12:05 PM – 2017 EP Year in Review
What have we learned from the ICD registry?
The role of remote monitoring in stroke prevention
Katherine Kelly, MD, PhD
1:30 pm – 1:50 pm
ECG Markers of Sudden Death
Describe ECG patterns associated with channelopathies
Medications and arrhythmias – Preventing acquired long QT Paula Eryazici, MD
1:50 pm – 2:05 pm
Q & A
2:05 pm – 2:20 pm
Break & Visit Exhibits
2:20 pm – 2:40 pm
Pulmonary Hypertension for the Internist
Update on pulmonary hypertension
Matthew Blackman, MD, PhD
2:40 pm – 3:00 pm
Update on TA VR
Patrick Adams
3:00 pm – 3:20 pm
Drugs & Management of Abdominal Aortic Anomalies
Update in surgical treatment
Sam Ryan, MD
3:20 pm – 3:40 pm
At Risk for Sudden Death, What are your Options?
Bridge with the wearable cardioverter defibrillator
Update for sudden death not studied in clinical trials
Henry B. Halpern, DO
